Mrs. Charulata Patil anchored programme
Dr. Dhondopant Manwatkar expressing his view
Mr. Dhananjay Akat focused on students empowerment with respect to socialism, education etc. He appealed to parents to avoid bombardment of expectation over child. Keep healthy and happy atmosphere in home. Provide good education to child. He further extended his talk by appealing students to be a faith on their teacher because teachers are second parents of students. Teacher should treat their students like their own children.
